

DECOM EXPO THEATRE SPONSOR £POA

3 x Opportunities available

Alongside our supply chain exhibition there will be further networking and learning opportunities for DECOM Expo delegates, who can hear about new opportunities in decommissioning, synergies across the sectors and decommissioning challenges and solutions.

By sponsoring one of the 3 theatres in the DECOM Expo you will raise the profile of your organisation in front of buyers and decision makers from key organisations across the decommissioning marketplace. Included in this package is all stage set branding and production which will be designed and produced based on sponsor sign off.

Theatre 1 – Discussions/Workshop Area

There will be a number of Workshops and Seminars covering current & future decommissioning projects in detail, which will invite opinion and debate between host and audience.

[see next page for more details...]

Theatre 2 – Supply Chain Theatre

Learn how to access £billions of planned DECOM spend over the coming decades across the DECOM supply chains. Hear from operators and top tier organisations about future plans and where opportunities might arise, as well as gaining an understanding of the routes to entry, standards required and support available in accessing decommissioning supply chains in the UK and abroad.

[see next page for more details...]

THEATRE 3 – Decommissioning Case Studies

Discussing decommissioning projects as well as new technologies and processes to solve difficult and complex DECOM challenges, across all sectors.

[see next page for more details...]
